

**District of Columbia WIC Program  
Pharmacy Price List – Quarterly Report**

Directions:

1. For each WIC Pharmacy item listed, submit the price charged by your store(s) for the period covered by this Quarterly Pharmacy Price List. If any prices vary from store to store, give the highest price for the item.
2. **If there is a change in the price place an \* by the item price.**
3. If your pharmacy does not carry an item listed, skip the item line.
4. **Reports must be submitted by the 21st day of the following months:  
*December, March, June and September***
5. If an item’s price changes after the Quarterly Pharmacy Price List was submitted, email an updated document to the State Agency immediately.
6. **Sign and complete the information on this page after updating prices.**
7. Submit reports by email to the State Agency using [info.vendor@dc.gov](mailto:info.vendor@dc.gov)

**Liability Statement:**

I verify that these prices are accurate. I will inform all pharmacy personnel responsible for processing WIC checks of any price changes during this given quarter. Furthermore, I agree to notify the DC WIC State Agency of any price changes affecting the accuracy of this report which may occur between now and the time of submitting an updated report for the next quarter.
