

## How to Order Special WIC Formula

### Steps to purchase your special formula:

1. Call the pharmacy of your choice to place your order for the special formula specified on your WIC check
2. Call the pharmacy to make sure your order is ready for pick up; the pharmacy has 48 hours to get the formula
3. If the pharmacy does not have the formula within 48 hours, call the WIC State Agency at 202- 442-9397

**NOTE:** Your WIC check will specify the product type (powder, liquid, nursette bottles, etc.) and quantity of the special formula you can purchase. If the pharmacy doesn't have the special formula, per DC WIC policy they should be able to order the formula within 48 hours. If the pharmacy says they cannot obtain the formula within 48 hours - alert DC WIC, and then try another pharmacy.
