FAQs

How do I earn coupons?

Spend at least \$5 using your SNAP/EBT card at a participating store. The store clerk will give you a \$5 coupon when you make your purchase.

How many coupons can I earn?

You will earn 1 coupon every time you buy \$5 or more with your SNAP/EBT card. There is no limit to the number of coupons you can earn over time. You will NOT earn 2 coupons for a \$10 purchase.

What can I buy with my coupons?

Coupons are for fresh fruits and vegetables only. You cannot buy canned or frozen items with your coupons.

Do the coupons expire?

Please try to use your coupons by the expiration date listed in the upper right corner of the coupon.

Where can I spend my coupons? What if my store does not have the fruits and vegetables I want?

Coupons can be used at the store where you received them, or at any store listed on the coupon. If you would like a fruit or vegetable that is not in the store, please request it with the store manager.

If I spend less than \$5 using my coupon, will I get change?

No change is given, so please spend the full \$5 at once.

How long will this program last?

This is a year-round program, with funding for three years.

Who runs this program?

The coupons come from DC Central Kitchen's Healthy Corners program, with funding from the USDA and DC Health.
